¹ Specialty care is provided at the listed copayment whether performed by a Participating General Dentist or a Participating Specialist. Referrals to a specialist must be made by a member's Participating General Dentist. If the listed procedure contains a (/), the second listed fee represents the copayment due to the specialist after referral. See Plan Exclusion #13.

² Phase I Treatment (D8010 - D8050) is provided at a 15% reduction from the orthodontist's UCR fees. See exclusion #15 for additional coverage exclusions.

ADA CODE	BENEFIT	MEMBER COPAYMENT(S)
----------	---------	---------------------

Plan Exclusions

- Services which are covered under Medicare, worker's compensation, employer's liability laws, or the Pennsylvania Motor Vehicle Financial Responsibility Law (Pennsylvania policyholders only).
- Services which, in the opinion of the attending dentist, are not necessary for the patient's dental health.
- Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth.
- Oral surgery requiring the setting of fractures or dislocations.
- Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, anodontic, mandibular prognathism or development malformations where, in the opinion of the Participating Dentist, such services should not be performed in a dental office.
- Dispensing of drugs.
- Hospitalization for any dental procedure.
- Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared, or while on active duty as a member of the armed forces of any nation.
- Replacement due to loss or theft of prosthetic appliance.
- Procedures not listed as covered benefits under this Plan.
- Services obtained outside of the dental office in which enrolled and that are not preauthorized by such office or Dominion National (with the exception of out-of-area emergency dental services).
- Services related to the treatment of TMD (Temporomandibular Disorder).
- Services performed by a Plan Specialist without a referral from a Participating General Dentist (with the exception of Orthodontics). A referral form is only required in Maryland. Participating dentists should refer to Specialty Care Referral Guidelines.
- Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth.
- The Invisalign system and similar specialized braces are not a covered benefit. Patient copayments will apply to the routine orthodontic appliance portion of services only. Additional costs incurred will become the patient's responsibility.

Plan Limitations

- Two (2) evaluations are covered per calendar year including a maximum of one (1) comprehensive evaluation.
- One (1) problem focused exam is covered per calendar year.
- Two (2) teeth cleanings (prophylaxis) are covered per calendar year (one additional cleaning is covered during pregnancy and for diabetic patients).
- One (1) topical fluoride or fluoride varnish is covered per calendar year.
- Two (2) bitewing x-rays are covered per calendar year.
- One (1) set of full mouth x-rays or panoramic film is covered every three (3) years.
- One (1) sealant or preventative resin restoration per tooth is covered per lifetime, up to age 16 (limited to permanent 1st and 2nd molars).
- Replacement of a filling is covered if it is more than two (2) years from the date of original placement.
- Replacement of a bridge, crown or denture is covered if it is more than seven (7) years from the date of original placement.
- Crown and bridge fees apply to treatment involving five or fewer units when presented in a single treatment plan. Additional crown or bridge units, beginning with the sixth unit, are available at the provider's Usual, Customary, and Reasonable (UCR) fee, minus 25%.
- Relining and rebasing of dentures is covered once every 24 months.
- Retreatment of root canal is covered if it is more than two (2) years from the original treatment.
- Root planing or scaling is covered once every 24 months per quadrant.
- Full mouth debridement is covered once per lifetime.
- Procedure Code D4381 is limited to one (1) benefit per tooth for three teeth per quadrant or a total of 12 teeth for all four quadrants per twelve (12) months. Must have pocket depths of five (5) millimeters or greater.
- Periodontal surgery of any type, including any associated material, is covered once every 36 months per quadrant or surgical site.
- Periodontal maintenance after active therapy is covered twice per calendar year, within 24 months after definitive periodontal therapy.
